Looks like this has now gone to the Administrator. OW will be setting up a call with us for some time next week to discuss our position, next steps and to offer assistance in resolving this. Very much a top priority now for us to resolve!

Francisco – please put together a package with the WV letter requesting the reg revision review along with all supporting documentation we have on this to send to Deborah and Ross.

Joel and Micah,

Wanted to make sure you saw this letter we sent to the Administrator on two passed state bills in West Virginia on NPDES permits. Also attached is a more detailed letter we sent to Avi on the details of the bills earlier last year.

Please feel free to send this around to your relevant teams. If they would like us to come in and discuss, we would very much welcome the time.

Thank you,

Dalal
